The above unaudited financial result has been reviewed by the Audit Committee and approved by the Board of Directors in their meetin

The Statutory Auditors of the company have carried out a Limited Review of the aforesaid results

The company had invested huge resources in developing technology, infrastructure, marketing, promotions, business process and fulfillment services till FY 2016-17 in order to expand its Internet Retail business and its customer base. Since it was an innovative process of Retailing where the company orchestrates 3rd party physical retail stores (largely Mom & Pop stores) with virtual inventory, the busines model needed continuous investments till it reaches the breakeven point and turns profitable. In March 2017, the company, was classified into the Graded Surveillance Measure (GSM) list by BSE. The criteria for classifying the company into GSM was never communicated t us. The impact of classifying the company in GSM by BSE had led to trading restrictions in the scrip of the company and consequently, it led to a complete 'roadblock' in terms of raising additional capital from new investors. Thus, a new fund raising became almost impossible. In failing to raise fresh capital for its Internet Retail business, the company has suspended the operation wef April, 2017 till The company is exploring various opportnities and partnerships in order to revive its Internet Retail activities. Acquisiton process of Citicycle India Pvt. Limited and making it as 100% subsidiary of the company is under process as per th Memorandum of Understanding sigend with the company and its promoters. The target company needs to comply with certain te and conditions, precedent to such event. Covid-19 has further delayed the project implementation.

Upon the recommendation of the Audit Committee towards financial rehabilitation of the company, subject to the approval of the member and other regulatory authorities, the Board recommended & approved the reduction of capital of the company by way of reducing the present face value of Rs. 4 (Rs. FOUR) each share to Re. 1 (Re. ONE) which shall result in reduction of capital by Rs. 639 lacs. The effect of th same however, shall be given in the financial statement only upon obtaining all the required approvals from the members and regulator authorities. The scheme of financial rehabilitation is under review based on the development in the recent past and shall be revised based on the overall business conditions.

The company is constantly monitoring the impact of COVID-19 in revival of its operations and taking necessary steps to deal with the sar The loss on account of delay in implementing the project is not ascertainable at this stage. By Order of the Board
